Greyhound Sitter Wanted!

Overnight Minding

Description

Hello eveyone,

We have a gorgeous 11 year old retired racer called Willow. We are going away for a month over Christmas and unfortunately the dog sitting plans we had in place have fallen through. We would love Willow to be looked after by a fellow greyhound lover! She is very quiet, gets on with other dogs (and chickens!) and requires little exercise as she's getting on now!

Please can you give me a PM if you know anyone interested!

Thank you!
