Pet Services

Description

Hi all pet owners :) I adore all animals and have been pet/house sitting and dog walking for my family and friends for more than 10 years. Sometimes I prefer the company of animals more than humans :) I'm 41, have lived and worked around Australia and abroad and now I'm residing in Old Reynella. I'm happy to travel to the surrounding suburbs within 20 min from Old Reynella. Unfortunately I'm unable to host your pet at my accommodation. I will come to your home. Now, I would like to extend my love and care to all pets and their owners out there in the City of Onkaparinga.
