Veterinary Services

Description

Our mission at Pet Medical is to provide state-of-the-art medical care for your animal companions. We aim to make every trip to our practice an enjoyable experience for both pets and owners’.

As committed professionals we work responsibly to achieve a successful outcome for your pet. Our veterinarians and qualified nursing staff care deeply about their work and the animals they treat.

We understand that each pet is a friend and companion to the client, and that trust and responsible action is at the core of our mission to help you maintain your animal’s health.

Pet Medical actively promotes organisations and activities that improve the wellbeing and lifestyle of both pets and their owners’. We strive to offer the best possible medical care for your pet delivered with a heavy dose of care and compassion.

Pet Medical is accredited by the Australian Animal Veterinary Association (AVA). AVA standards represent the Gold Standard of veterinary practice in Australia. As a member, Pet Medical is committed to state-of-the-art surgical and diagnostic equipment and medical training. Pet safety is paramount with cardio-pulmonary monitoring during all surgical procedures and use of isoflurane anaesthesia. We also endorse and practice strict standards of pain management for pets.

Our practices are located in Milsons Point, Muswellbrook, Scone and Denman.
