

PuppyGoGo: Discover great pet services and products!

Pod Trackers 5% Off!

Promotions, Discounts & Specials

Description

Find, protect, monitor and record with Pod 3, the modular GPS tracker + activity monitor. The world's most trusted GPS tracker to keep tabs on your pet, bike, boat and more! Use the coupon code SAS517 at the checkout to redeem your discount!

Find...

- Real-time tracking: Live indoor and outdoor tracking with unlimited range in 175 countries with 4 layers of tracking technology.
- Location history: View 24 hours of location history in the app anytime so you always have data at your fingertips.

Protect...

- Zone alerts: Set up virtual fences and receive breach alerts when your loved ones are outside of the zone.
- Multiple safe zones: Create as many virtual fences as you need to so your possessions are safe in more than one place.

Monitor...

- Health and fitness: View activity data to ensure your furry friends are getting the exercise they need to stay healthy.
- Collision and movement: Monitor movement continuously to detect any unusual activity or behaviour.

Record...

- Adventure recording: Record and share adventures with continuous location tracking and motion data.
